

**ADDENDUM #1**

**PORT OF REDWOOD CITY  
WHARVES 1-4 MAINTENANCE DREDGING**

**Date of Issue: 8/22/18**

---

Revisions to the PORT OF REDWOOD CITY WHARVES 1-4 MAINTENANCE DREDGING Contract Documents are hereby modified as described below. Deleted text is indicated by ~~strikethrough~~ and new is text indicated by underline.

**SECTION 00100 BID SOLICITATION**

- N.** Any question pertaining to the plans, specifications, or any of the Contract Documents shall be submitted in writing, to the attention of Donald Snaman on or before ~~3:00 5:00~~ PM, ~~August 22,~~ August 29, 2018; if by mail, addressed to the Port of Redwood City, 675 Seaport Boulevard, Redwood City, California 94063; if by facsimile, at (650) 369-7636; or, if by email, addressed to [dsnaman@redwoodcityport.com](mailto:dsnaman@redwoodcityport.com).

**SECTION 02482 DREDGING AND DISPOSAL**

**PART 1 - GENERAL**

**SUBMITTALS**

- A.1.g** Proposed dredge cuts, and for each cut, associated volume and disposal location. Based on this information, also include the anticipated daily disposal rate at the Alcatraz Disposal Site (SF-11), ~~Montezuma Wetlands Restoration Project (MWRP),~~ and at the San Francisco Deep Ocean Disposal Site (SF-DODS). Contractor must notify the Port immediately if a deviation is made from the proposed disposal plan.
- A.1.h** The material and equipment utilized to transport the dredged material to the Alcatraz Disposal Site (SF-11), ~~Montezuma Wetlands Restoration Project (MWRP),~~ and at the San Francisco Deep Ocean Disposal Site (SF-DODS).

**PART 3 – EXECUTION**

- 3.02.B** San Francisco Deep Ocean Disposal Site (SF-DODS): Unless noted or specified otherwise, no less than 46,000 cubic yards of the dredge material within the dredge limits as shown on the Contract Documents from Dredge Unit 1-01 (DU-1-01), Dredge Unit 2 (DU-2), Dredge Unit 3 (DU-3), Dredge Unit 4 (DU-4), and Dredge Unit 5 (DU-5) shall be transported from the dredge site and disposed of at San Francisco Deep Ocean Disposal Site (SF-DODS). For disposal operations at SF-DODS, Contractor shall allow observers, upon request from the Point Reyes Bird Observatory or other appropriate independent observers to be present on disposal vessels on all trips to the ocean disposal area for the purpose of conduction surveys of marine habitats. The Contractor
